

Be it so known that the bearers of this charter are hereby given broad acknowledgement and support to provide a final solution to the Aomen centaur situation. Violent and territorial, they are a constant Thorn in the side of any attempt to Settle and Civilize the eastern Stolen Lands. Four thousand gold crowns are offered to ensure that they cease to be a Threat by any means necessary, left to the charter-bearers' discretion. So witnessed under the watchful eye of the Lordship of Restov and by the authority granted by Lord Aoleski Surtova, current Regent of the Dragonscale Throne.
